

School Fight Song

Stand and give your pledge of honor

To Bonneville High School

We will keep the spirit flowing

Free to guide and rule.

All together now and always

Our goal will be the same.

Fight to win a place for our school

In the shining halls of fame.

Join to fight and gain a victory

Let high school spirit rule.

Keep your pep and help to

Win for Bonneville High School

All your troubles be forgotten

We'll root for green and white

Cheering, singing all together.

We're here to win this fight.
