Greetings:

There is definitely a feeling of fall in the air. As we look forward to cooler temperatures and the first round of state tournaments, I think we all have a lot to look forward to from this school year. Both teachers and students have shown a tenacity and resiliency as we have worked through COVID protocols and I'm hopeful we will remain in a situation where, for the most part, students will be in school with face to face instruction. We've had a few bumps and bruises along the way, but overall I'm very pleased with how we all have handled the adversity.

#BeeBetter

Being better is not necessarily a destination, but instead a journey of 1000 different footsteps. We do not always have control over every facet of our situations, but we do have 100% of the control with how we react to situations. While we navigate our current situation, I would encourage you to find positive role models who understand the realities of life and how we can/should react to situations we face. I love the culture that Coach Kempf and Coach Romander are working to build in our football program. I appreciate the excellence being cultivated in our girls' soccer and volleyball programs. I love the growth I'm seeing in 100 different areas throughout the school as we strive each day to #BeeBetter. Commit today to making out school, our community, and our world a better place. Think before you act and be kind with intention.

Important Dates/Information:

This week we will have PSAT/NMSQT/SAT testing on Wednesday. It is vitally important for all seniors to be in attendance on Wednesday for this test as a college entrance exam is a graduation requirement. The PSAT is also a great opportunity for our sophomores to test their knowledge and skills and gain experience with the standardized testing process. We look forward to this opportunity on Wednesday, October 14<sup>th</sup>.

Sincerely,

Levi C. Owen
